"Has Been Club"

By James Creech, Retired Member

Martha's husband, a Mr. Dobbs, honored us with a visit. What a way to start? Some of us older "Has Beens" remember him as just plain Robert. Jack Preston's favorite son, Glenn Preston came for I believe the first time. Glenn brought Stan Blaskiewicz, Dennis Rook was showing off his new shoulder surgery scar. Looked great. Tom Randolph had been fishing. Not Biting. Didn't catch any catfish because he was crappie fishing. How did the catfish know that? Jack Beall and one of the Lovelace twins, "Howard", he said were talking big real estate deals. Bobby McPherson, Jerald McCord, Thomas Murry and Bob Ayers were giving Goober Morris an ear full about someone not there. Ever who it was did not win the door prize. Neither did Rodger Warren or Walter Dolehite.

Fraternally,

Price O. Warwick, Jr.
