**A Message from Price Warwick, Jr.
Business Manager/Financial Secretary**

Dear Brothers and Sisters:

I hope this letter finds everyone healthy and sane as we navigate these new and trying times. We have all been forced to change from our normal routines and learn to live a massively different lifestyle with job losses, school closures, no dining in at restaurants, and empty shelves at the stores. While it looks promising this could be ending sometime soon, we are still being advised to maintain "Social Distancing". In compliance with the State and County executive orders and in an effort to limit exposure to the staff and members of the Local Union, we will be limiting access to the hall to five (5) people at a time. We are still open. There is no change to our hours of operation, but the doors will be locked, and we will answer the door individually. We strongly encourage members to conduct any business by mail, fax, phone, or online at this time. There is no change to the referral procedure. Due to the COVID-19 precautions we have been granted permission by International Vice-President Speer to cancel the May 5th, 2020 meeting. We are monitoring this ongoing situation and are posting updates to the website regularly.

At the April 7th E-Board meeting the board approved the pension applications for Wilson Butler (6), Richard Kaiser (48), Terry Aycock (23), and Joe Black (38).
