Kim Allen, the Training Director at the North Texas Electrical Training Center has announced he is retiring effective September 30, 2022. Mr. Allen has done an outstanding job as Assistant and Training Director for the past 22 years and will be greatly missed. Thank you, sir, for your service and all your hard work. I wish you a long and happy retirement. The JATC now has the difficult task of finding a replacement to fill this position, anyone interested should send their resume to Mr. Allen so the JATC can review and start the hiring process.

I received 11 resumes from people interested in working as an organizer in Membership Development, after reviewing and interviewing I have hired Jacob Minter to replace Cesar Martinez.
