**A Message from Price Warwick, Jr.  
Business Manager/Financial Secretary**

Dear Brothers and Sisters:

For the month of January, we had 86 JIW calls, 8 CE/CW calls, 14 Apprentice calls, and 1 Tele-data call. The work picture is picking up with calls coming in, so keep an eye on the jobs board. We signed up 3 new members to the I.B.E.W. in the month. The E Board approved the following pension application: Charles Green (41). May you have a long and happy retirement. We have the watches and pins for the 50+ Years of Membership Awards here at the hall.

Nominations for Local Union Officers are normally scheduled for the May meeting. Because of the ongoing pandemic the E Board has approved a mail in nomination procedure to be used for this election. Next month's newsletter will have the Official Notification of the upcoming election with the details, instructions, and sample forms that can be used in the nomination process.

To limit exposure to the staff and members of the Local Union, we are still limiting access to the hall to five (5) people at a time and you must wear a mask and maintain social distancing. We are still open, there is no change to our hours of operation, but the doors will be locked, and we will answer the door individually. We strongly encourage members to conduct any business by mail, email, phone, or online. There is no change to the referral procedure except some days roll call may be held outside to help limit exposure.

Due to the COVID-19 precautions we have been granted permission by International Vice-President Speer to cancel the March meeting. The E Board is still meeting regularly to approve the bills and handle all Local Union business. We are monitoring the COVID-19 situation and are posting any updates to the website as needed. We will be conducting an informational "Virtual Meeting" presentation on meeting nights, at 7:00pm. The invitation information is on the webpage. There will not be any official business presented or acted on at this "Virtual Meeting".

Remember to keep your dues and death benefits current. If you are an active A member and more than two months behind on your dues, your beneficiary will not receive any death benefits from the Pension Benefit Fund or the Local Union's Death Benefit Fund. If you are a retired A member and receiving a pension from the Pension Benefit Fund your beneficiary will receive a death benefit from the Pension Benefit Fund and, if you are a participant, your beneficiary will receive a death benefit from the Local Union's Death Benefit Fund. Anyone in arrears of death benefits more than one (1) year is considered a non-participant and will not be eligible to receive benefits from the Local Union's Death Benefit Fund.
