**A Message from Price Warwick, Jr.
Business Manager/Financial Secretary**

Dear Brothers and Sisters:

For the month of December, we had 126 JIW calls, 11 CE/CW calls, 7 Apprentice calls, and 2 Tele-data calls. There are calls coming in daily, so keep an eye on the jobs board and come get a call. The work picture is picking up and it's looking to be a busy year. We signed up 13 new members to the I.B.E.W. in the month.

The membership approved the following pension applications at the January meeting: Raylan Hill (21) and Carl Phillips (42). May you have a long, healthy, and happy retirement.

Cesar Martinez has been hired by the IBEW International Office as the State Organizing Coordinator for North Texas. He did an outstanding job for Local 20 and we wish him success in all his future endeavors. I am taking applications for a new organizer here at Local 20, if interested send your resume to ibew20@ibew20.org.

The midterm primary elections are coming up March 1st, the last day to register and be eligible to vote in the primary is January 31st. If you need to register to vote or update your registration, we have voter registration cards here at the hall. We plan to move the March 1st meeting to March 8th to allow for voting in the primary election. We should have the list of endorsed candidates in next month's newsletter.

To limit exposure to the staff and members of the Local Union, we are still limiting the number of people allowed in the building and you must wear a mask and maintain social distancing. We are still open, there is no change to our hours of operation, but the doors will be locked, and we will answer the door individually. We strongly encourage members to conduct any business by mail, email, phone, or online. Some days roll call may be held outside to help limit exposure.

The IBEW is again tracking COVID infection numbers and asks that you contact the hall concerning any known cases. I don't report any names only numbers. I have been made aware of 9 positive cases and 1 fatality in December.

There are scholarships available for family of Union members through the AFL-CIO. The deadline for application is January 31, 2022. Contact Price Warwick III for information.

Anyone interested in helping IBEW members and their families affected by the natural disasters happening recently can go to the Local 20 website and click on the IBEW Unity Fund link to donate.

Remember to keep your dues and death benefits current. Dues are to be paid on the first day of the month to be current for that month.
