**A Message from Price Warwick, Jr.  
Business Manager/Financial Secretary**

Dear Brothers and Sisters:

For the month of October, we had 120 JIW calls, 29 CE/CW calls, 23 Apprentice calls, and 6 Tele-data calls. The work picture is picking up with some scattered calls coming in, so keep an eye on the jobs board. We signed up 22 new members to the I.B.E.W. in the month. The E Board approved the following pension applications: Mahara Ibrahim (22), Robert Zimmerman (21), James Mark Niblett (39), Phil Talley (40), and Ricky Carter (32). We have the watches and pins for the 50+ Years of Membership Awards here at the hall.

The hourly wage rate for JIW's will increase by \$.50 per hour to \$31.60 on December 1<sup>st</sup>, all other Inside classifications will increase proportionately.

To limit exposure to the staff and members of the Local Union, we are still limiting access to the hall to five (5) people at a time and you must wear a mask. We are still open, there is no change to our hours of operation, but the doors will be locked, and we will answer the door individually. We strongly encourage members to conduct any business by mail, email, phone, or online. There is no change to the referral procedure except some days roll call may be held outside to help limit exposure.

Due to the COVID-19 precautions we have been granted permission by International Vice-President Speer to cancel the December meeting. The E Board is still meeting regularly to approve the bills and handle all pressing Local Union business. We are monitoring the COVID-19 situation and are posting any updates to the website as needed. We will be conducting an informational "Virtual Meeting" presentation on meeting nights, at 7:00pm. The invitation information is on the webpage. There will not be any official business presented or acted on at this "Virtual Meeting".

Remember to keep your dues and death benefits current. If you are an active A member and more than two months behind on your dues, your beneficiary will not receive any death benefits from the Pension Benefit Fund or the Local Union's Death Benefit Fund. If you are a retired A member and receiving a pension from the Pension Benefit Fund your beneficiary will receive a death benefit from the Pension Benefit Fund and, if you are a participant, your beneficiary will receive a death benefit from the Local Union's Death Benefit Fund. Anyone in arrears of death benefits more than one (1) year is considered a non-participant and will not be eligible to receive benefits from the Local Union's Death Benefit Fund.

Renew will be continuing its annual Toy Drive for Cooks Children's. They will also be participating in another Habitat for Humanity project.

Please contact Cesar Martinez for more information.
