**A Message from Karsten Frentrup
Business Manager/Financial Secretary**

Dear Brothers and Sisters:

We had good representation at the Annual Labor Day Breakfast. Labor Leaders from all over the area came to celebrate our day and show support for organized labor. Thank you to the members and spouses who attended.

To give you an idea of the exposure labor gets at the breakfast, this year there were 5 judges, Dallas County Sherriff Lupe Valdez, County Judge Clay Jenkins, several Dallas City Council members, at least two state representatives, including Marc Veasey, who will be facing an independent challenger for the 33rd Congressional race, and several other candidates for various offices.

Forty new brothers were sworn in at the last general membership meeting. First, I want to welcome them and encourage them to come to the next general membership meeting on October 2nd. They have taken their first steps as brothers and will need our encouragement, our support, and the benefit of our experience.

All members need to be registered to vote. Please do not assume that your “o.k.” We have some members who have moved recently or since the last election and may not be registered. The local Union office has voter registrations cards - fill one out when you stop by.

STEWARD REPORTS:

The following Stewards were present at the last General Membership Meeting and gave an update of their job:

Stan Tabor	Conti Electric	General Motors
Greg Padgett	Angiel	Hospital
Michael Bradshaw	Morley/Moss	Verizon

DOOR PRIZE:

The card number drawn for the September Meeting Door Prize was **A152883. Bro. Randall Jennings** holds that number, and would have won the \$72.00 prize if he had been present. The October Meeting's door prize will be \$108.00.

Each month the new members' card numbers will be added to the box from which the cards are drawn making them eligible the month after they are sworn in. The box containing all the card numbers for the drawing will be purged once or twice annually and new cards will be printed and placed in box. This process will remove the card numbers of those who have retired and those who have dropped out. Should one these ineligible card numbers be drawn it will be discarded.
