Officers listed in the L.U. Directory Published by the International Office.

Listed in the blue box above are officers not listed in the Local Union Directory

Note: Old information in this chart was pulled from archived Local Union Directory information. The amount of data contained in that source changed over the years. The accuracy of that information was dependent upon the timely submission of data to the International Office in Washington D.C. If you are aware of any inaccuracies with the data **and possess official or other verifiable documentation** to support the amendment of this chart, please contact the Local Union 20 business office.
